Rich,

As requested, please find attached the PA DEP sample results for the drinking water well of Ex. 6 - Personal Privacy located at Ex. 6 - Personal Privacy Dimock Township, PA. I also included the field blanks. The Kitchen Sink sample results are to follow shortly. If you should have any questions regarding this information, please feel free to call me.

Thank you,

Steve,

No problem with sharing the asphalt issue comments with Ex. 6 - Personal Privacy. I think we noticed the same thing when we were there.
Thanks for your quick reply.

Rich

Rich,

No problem. I will send you Word Documents of her sample results, so that you may share them with her. Could you do me a favor? Even though her water appears to be fine, could you guys stress to her the importance of having her well cap properly secured to the water well and also to potential pollution risk the used asphalt piled up around her well poses to her ground water. I remember seeing the oil sheens flowing down her driveway from those asphalt piles on that cold raining night in January.

Thank you,

Subject: Ex. 6 - Personal Privacy Data

Steve,

We are meeting with Ex. 6 - Personal Privacy tomorrow morning at 10am to review the EPA with her. When we spoke with her on the phone, she asked whether we could get the PADEP data and look at that too with her. I apologize for the last minute request, but if you could get us the data from your sampling at her home, I think Wendy would appreciate it for the meeting tomorrow.

Thanks.

Rich
